

Federated Foodservice Welcomes New Member **NORTHWESTERN SELECTA, INC.**

Please join Federated Foodservice in welcoming our newest member, Northwestern Selecta Inc. Northwestern Selecta's parent company, Northwestern Meat Inc, Miami, FL, was established in 1961 and provides beef and seafood to the Caribbean Islands, Central and South America, Puerto Rico and the United States. Northwestern Selecta opened in 1980 in San Juan, Puerto Rico and provides their products to both retail and foodservice customers. Northwestern Selecta is adding additional warehouse space as the company prepares to expand their product offerings to include dry products, as well as additional refrigerated items.
