

Federated Foodservice Welcomes New Member

OK Distributing

Please join us in welcoming our newest foodservice member to the Federated organization – OK Distributing!

Founded in 1955 by Ray Kaiser and Emil Olson. They started out in a small building they soon outgrew. In 1960 Ray purchased a larger building that was formerly a grocery store. There he opened a meat market in addition to their regular distribution. During the 90s the company slowly and methodically expanded the territory and product selections for their customers. After acquisitions in the expansion OK Distributing now covers 13 counties in Eastern Montana and 5 counties in North Dakota. In 2001 they expanded again to accommodate growth. The third generation is now running and continuing to expand the company.
